

Parkwood Volunteer Fire Department
Cadet Program
Scholarship Plan Receives Board Approval

July 19th, 2005. The Parkwood Volunteer Fire Department Board of Directors at its monthly meeting in July approved the development of a cadet program scholarship plan. The plan once finalized by the cadet board of advisors will allow cadets to earn an annual amount up to \$500.00 toward a scholarship award upon acceptance to college.

This program is in addition to scholarship program awards available to members, as cadets are also members of Explorer Post 966 and are eligible for national scholarship awards from Learning-For Life*

*Learning-For-Life is a nationally sponsored program of the Boy Scouts of America.
