

# Practice Fire Safety

Prevent fires from starting and learn what to do if you are ever in a fire.

## How To Make Your Fire Safety Truck

1. Carefully punch out the fire safety truck from sheet.
2. Fold out the light at the top of the fire truck.
3. Fold in all of the dotted lines to form the fire truck.
4. Fold down tabs marked A, B, C, D. Insert tab AB in slot AB and reach inside truck to secure tab by opening flaps. Do the same for tab and slot marked CD.
5. To complete the front of the fire truck, fold in the sides and tuck in front flap.
6. To finish the fire truck, fold down the back flaps in order: 1, 2, 3, and push flap 4 to lock in place.
